Re: Announcement

Request for Statements of Qualifications (RFQ) for Providing Professional Engineering Services:
Engineering Services for Electric Service Delivery
Solicitation Number: CLMP207

The City of Austin, through Austin Energy and its Capital Contracting Office, is requesting statements of qualifications for the selection of a professional engineering firm for the above-noted project. Statement of qualifications will be due **PRIOR to 3:00 p.m.**, Wednesday, September 30, 2016, at 505 Barton Springs Road, Suite 1045-C, Austin, TX 78704. All SOQs not received and stamped prior to the date and time set forth above will not be accepted for consideration. The time stamp clock in the Suite 1045-C Reception Area is the time of record and is verified with www.time.gov, the Official U.S. time. The selection process for this project is anticipated to be completed for City Council action in January 2017.

A pre-response meeting will be held beginning at 8:30 am, Monday, September 12, 2016, Assembly Room, 2526 Kramer Lane, Building E, Austin, TX 78758. The purpose of the meeting will be to respond to consultants' questions about the project and the procurement process. Attendance at the meeting is not a requirement for selection; however, meeting minutes will not be issued.

All prime firms and subconsultants must be registered to do business with the City of Austin prior to the contract award. Prime firms are responsible for ensuring that their subconsultants are registered as vendors with the City of Austin. You may register through the City of Austin's online Vendor Registration system. Log on to www.austintexas.gov/financeonline/vendor_connection/index.cfm and follow the directions.

A Request for Statements of Qualifications (RFQ) for these services is available which provides project background and requirements for submittal. For a copy of the RFQ, log on to the City's Vendor Connection at www.austintexas.gov/financeonline/vendor_connection/index.cfm. The complete RFQ packet is located as an attachment under the solicitation CLMP207. The authorized contact persons for this solicitation are Tara Delagarza, Project Manager, tara.delagarza@austinenergy.com, 512-505-7175, or Steve Cocke, Buyer II, steven.cocke@austintexas.gov, 512-974-7998. Please contact Tara Delagarza for all project related questions and me for any RFQ procurement process questions.

Sincerely,

Buyer II

Project Name: Engineering Services for Electric Service Delivery

The following is a summary of information for this Solicitation. The Consultant is cautioned to refer to other sections of this Request for Qualifications (RFQ) packet for further details.

The City of Austin, through its Capital Contracting Office, is requesting Statements of Qualifications (SOQs) for the selection of engineering services for the above-noted project.

Submittals will be received at 505 Barton Springs Road, Suite 1045-C, Austin, TX 78704, Capital Contracting Office.

ALL SUBMITTALS ARE DUE ON: September 30, 2016 PRIOR TO 3:00 pm

ATTENTION: Steve Cocke

ALL SUBMITTALS NOT RECEIVED PRIOR TO THE DATE AND TIME SET FORTH ABOVE WILL NOT BE ACCEPTED FOR CONSIDERATION. The time stamp clock in the **Suite 1045-C** Reception Area is the time of record and is verified with www.time.gov, the Official U.S. time. The qualification statement evaluation criteria for this project are included in this packet for your information. The selection process for this project is anticipated to be complete for City Council action in January. Contract execution is anticipated for March.

All prime firms and subconsultants must be registered to do business with the Owner prior to the contract award. Prime firms are responsible for ensuring that their subconsultants are registered as vendors with the City of Austin. You may register through the Owner's on-line Vendor Registration system. Log on to the following link and follow the directions:

https://www.austintexas.gov/financeonline/vendor_connection/index.cfm.

The selected consultant will be required to execute a standard City of Austin professional services agreement. A copy of this document is included in this RFQ packet. Prior to contract execution, the selected firm must submit either their existing or an updated personnel policy (on letterhead) documenting conformity with City Code, 5-4, § 5-4-2. If the Consultant does not submit a copy of their personnel policy incorporating the non-discrimination policy, the company will not be in compliance and the City will exercise its option to cease contract negotiations.

The selected consultant shall carry insurance in the following types and amounts for the duration of the Agreement, and furnish certificates of insurance along with copies of policy declaration pages and policy endorsements as evidence thereof:

- Workers' Compensation and Employers' Liability Insurance with coverage consistent with statutory benefits outlined in the Texas Workers' Compensation Act (Section 401). The minimum policy limits for Employers' Liability Insurance are \$100,000 bodily injury each accident, \$500,000 bodily injury by disease policy limit and \$100,000 bodily injury by

disease each employee. The firm's policy shall apply to the State of Texas and include these endorsements in favor of the City of Austin:

- (a) Waiver of Subrogation, form WC 420304.
- (b) 30 day Notice of Cancellation, form WC 420601.
- Commercial General Liability Insurance with a minimum combined bodily injury and property damage per occurrence limit of \$500,000 for coverage A & B. The policy shall contain the following provisions:
 - (a) Contractual liability coverage for liability assumed under the Agreement and all contracts relative to this project.
 - (b) Products/Completed Operations Liability for the duration of the warranty period.
 - (c) If the project involves digging or drilling, Explosion, Collapse, and Underground (XCU) coverage
 - (d) Independent Contractors coverage (Contractors/ Subcontractors work).The policy shall contain the following endorsements in favor of the City of Austin:
 - (a) Waiver of Subrogation, endorsement CG 2404.
 - (b) 30 day Notice of Cancellation, endorsement CG 0205.
 - (c) Additional Insured, endorsement CG 2010.
- Business Automobile Liability Insurance for all owned, non-owned and hired vehicles with a minimum combined single limit of \$500,000 per occurrence for bodily injury and property damage. Alternate acceptable limits are \$250,000 bodily injury per person, \$500,000 bodily injury per occurrence and at least \$100,000 property damage liability per accident. The policy shall contain the following endorsements in favor of the City of Austin:
 - (a) Waiver of Subrogation, endorsement CA 0444.
 - (b) 30 day Notice of Cancellation, endorsement CA 0244.
 - (c) Additional Insured, endorsement CA 2048.
- Professional Liability Insurance with a minimum limit of \$ 1,000,000 per claim and in aggregate to pay on behalf of the assured all sums which the assured shall become legally obligated to pay as damages by reason of any negligent act, error, or omission committed or alleged to have been committed with respect to estimates, schedules, analyses, reports, surveys, designs or specifications prepared or alleged to have been prepared by the assured. Coverage, including any renewals, shall have a retroactive date coincident with or prior to the date of the Agreement. The consultant shall provide the City of Austin annually with a certificate of insurance as evidence of such insurance. The policy shall provide for 30 day notice of cancellation in favor of the City of Austin. The consultant shall provide a discovery period on professional liability policies that is commensurate with the warranty period of the project.

Should you have any questions concerning the information included in this RFQ, **please attend a pre-response meeting on Wednesday, September 12, 2016 at 8:30 am in the Assembly Room, 2526 Kramer Lane, Building E, Austin, Texas.** Attendance at the meeting is not required; however, meeting minutes will not be issued.

Thank you for requesting the RFQ and your interest in the City of Austin. For information about other professional services procurement actions of this office, please visit us at https://www.austintexas.gov/financeonline/vendor_connection/index.cfm.

INSTRUCTIONS TO CONSULTANTS

Solicitation Number: CLMP207

Project Name: Engineering Services for Electric Service Delivery

I. Preparation of Response

- a. **Request for Qualifications (RFQ) Response Forms.** Enclosed are the RFQ response forms which are to be completed and returned as part of your firm's response. Please use the enclosed current forms and organize your response in the order in which the forms are presented in the Table of Contents. **Forms may be recreated; however, all requested information must be included.**
- b. **Statement of Qualifications (SOQ):** Please submit **one (1) original, stamped "ORIGINAL"** and **one (1) electronic copy on CD or flash drive** of the RFQ response. Wherever used, "page" refers to single-sided, single-spaced, 10 point minimum font printed on 8 ½ x 11 inch pages. Sections should be divided by tabs for ease of reference.

Responses sent to the City of Austin are subject to disclosure pursuant to the Public Information Act, Government Code, Chapter 552.

- c. **Disclosure of Proprietary Information.** All materials submitted to OWNER become public property and are subject to the Texas Public Information Act, Government Code Chapter 552, upon receipt. If Consultant does not desire proprietary information in the Proposal to be disclosed, each page must be identified and marked proprietary at time of submittal. OWNER will, to the extent allowed by law, endeavor to protect such information from disclosure. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to identify proprietary information will result in all unmarked sections being deemed non-proprietary and available upon public request.
- d. **Further Information.** Information may be secured by contacting the authorized contact persons listed in the RFQ. Persons desiring further information or interpretation of the solicitation requirements shall make a written request for such information to OWNER no later than seven (7) working days before submittal due date and time. Interpretation of Solicitation Documents will be made by Addendum or Clarification and a copy of each document will be emailed to each person to whom has obtained a RFQ packet. The addendum or clarification will also be available through the City's Vendor Connection.
- e. **Anti-Lobbying and Procurement.** Entities submitting statements of qualifications, including their agents and representatives, shall not undertake any activities or actions to promote or advertise their statement of qualifications to any member of the Austin City Council or City staff except in the course of City-sponsored inquiries, briefings, interviews, or presentations between the statement of qualifications submission date and award by City Council. Any violation of this provision may result in disqualification

of the entity. Entity shall execute by signature the following Entity's Affidavit of Non-Collusion, Non-Conflict of Interest, and Anti-Lobbying and return the signed affidavit with their statement of qualifications. The Affidavit form is Form 4 under Proposal Forms. Article 6, Chapter 2-7, Austin City Code, prohibits lobbying activities or representations by the Consultant between the date that the Request for Qualifications (RFQ) is issued and the date of contract execution. The text of the pertinent City Ordinance may be viewed at the following link:

<http://www.cityofaustin.org/edims/document.cfm?id=161145>.

- f. **Certificate of Interested Parties.** As required by Section 2252.908 of the Texas Government Code, the Consultant who is awarded the contract is required to submit to the OWNER a complete Form 1295 "Certificate of Interested Parties" that is signed and notarized prior to contract execution. This form must be completed and printed on the Texas Ethics Commission website and returned to Contract Developer at the time of execution of the contract. Information and instructions on completing the form can be found at the following website:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

(1) Definitions

- (A) "Authorized Contact Person" means the Project Manager listed in the Cover Letter of the RFQ, or other persons specifically named and designated in the RFQ as the contact for questions and comments regarding the RFQ.
- (B) "No-Contact Period" means the period of time from the date the RFQ is issued until a contract is executed. If the City withdraws the RFQ or rejects all responses with the stated intention to reissue the same or a similar RFQ for the same or similar project, the no-contact period continues during the time period between the withdrawal and reissue.
- (C) "Response" means a statement of qualifications.
- (D) "Respondent" means a person responding to a City solicitation including a bidder, a quoter, responder, or a proposer. The term "respondent" also includes:
- (i) an owner, board member, officer, employee, contractor, subsidiary, joint enterprise, partnership, agent, lobbyist, or other representative of a respondent;
 - (ii) a person or representative of a person that is involved in a joint venture with the respondent, or a subconsultant in connection with the respondent's response; and
 - (iii) a respondent who has withdrawn a Response or who has had a Response rejected or disqualified by the City.

- (E) "Representation" means a communication related to a response to a council member, official, employee, or City representative that is intended to or that is reasonably likely to:
- (i) provide information about the Response;
 - (ii) advance the interests of the Respondent;
 - (iii) discredit the Response of any other respondent;
 - (iv) encourage the City to withdraw the RFQ;
 - (v) encourage the City to reject all of the responses;
 - (vi) convey a complaint about a particular response; or
 - (vii) directly or indirectly ask, influence, or persuade any City official, City employee, or body to favor or oppose, recommend or not recommend, vote for or against, consider or not consider, or take action or refrain from taking action on any vote, decision, or agenda item regarding the solicitation.

(F) "City" means Owner.

(2) Restrictions on Contacts

- (A) During a no-contact period, a Respondent shall make a representation only through the authorized contact person.
- (B) During the no-contact period, a Respondent may not make a representation to a City official or to a City employee other than to the authorized contact person. This prohibition also applies to a vendor that communicates and then becomes a Respondent.
- (C) The prohibition of representation during the no-contact period applies to a representation initiated by a Respondent, and to a representation made in response to a representation initiated by a City official or a City employee other than the Authorized Contact Person.
- (D) If the City withdraws an RFQ or rejects all Responses with a stated intention to reissue the same or similar RFQ for the same or similar project, the no-contact period shall expire after the ninetieth day after the date the RFQ is withdrawn or all Responses are rejected if the RFQ has not been reissued during the 90-day period.
- (E) For a single vendor award, the no-contact period shall expire when the first of the following occurs: contract is executed or solicitation is cancelled
- (F) For a multiple vendor award, the no-contact period shall expire when the last of the following occurs: all contracts are executed, negotiations have been fully terminated, or the ninetieth day after the solicitation is cancelled.
- (G) The purchasing officer or the director may allow respondents to make representations to city employees or city representatives in addition to the

authorized contact person for a solicitation that the purchasing officer or the director finds must be conducted in an expedited manner; an expedited solicitation is one conducted for reasons of health or safety under the shortest schedule possible with no extensions. The purchasing officer's or director's finding and additional city employees or city representative who may be contacted must be included in the solicitation documents.

- (H) Representation to an independent contractor hired by the City to conduct or assist with a solicitation will be treated as representations to a City employee.
- (I) A current employee, director, officer, or member of a respondent, or a person related within the first degree of consanguinity or affinity to a current employee, director, officer or member of a respondent, is presumed to be an agent of the respondent for purposes of making a representation. This presumption is rebuttable by a preponderance of the evidence as determined by the purchasing officer or director.
- (J) A respondent's representative is a person or entity acting on a respondent's behalf with the respondent's request and consent. For example, a respondent may email their membership list and ask members to contact council members on the respondent's behalf. The members are then acting per respondent's request and with their consent, and the members have become respondent representatives.

(3) Permitted Representations

- (A) If City seeks additional information from respondent, the Respondent shall submit the representation in writing **only** to the authorized contact person. The contact person will then distribute the written representation in accordance with the terms of the RFQ. A Respondent cannot amend or add information to a Response after the Response deadline.
- (B) If respondent wishes to send a complaint to the City, the respondent shall submit the complaint in writing only to the authorized contact person. The authorized contact person will then distribute a complaint regarding the process to members of the City Council or members of the City board, to the director of the department that issued the solicitation, and to all respondents of the RFQ. However the director shall not permit distribution of any complaint that promotes or disparages the qualifications of a respondent, or that amends or adds information to a response. A determination what constitutes promoting or disparaging the qualifications of a respondent or constitutes amending or adding information is at the director's sole discretion.
- (C) If a Respondent submits a written inquiry regarding an RFQ, the authorized contact person will provide a written answer and distribute both the inquiry and answer to all Respondents on the RFQ.
- (D) If a Respondent does not receive a response from the authorized contact person, the Respondent may contact the director as appropriate.

- (E) A respondent may ask a purely procedural question, for example a question regarding the time or location of an event or where information may be obtained, of a City employee other than the authorized contact person. No suggestions or complaints about the contract process that constitute a representation to a City employee is allowed. A respondent may not ask a procedural question to a Council member, a council member's aide, or of a City board member except in a meeting held under the Texas Government Code, Chapter 551 (Open Meetings Act).
- (F) The Anti-Lobbying ordinance allows representations:
 - (1) made at a meeting convened by the authorized contact person, including meetings to evaluate responses or negotiate a contract;
 - (2) required by protest procedures for vendors;
 - (3) made at a protest hearing;
 - (4) provided to the Small & Minority Business Resources Department in order to obtain compliance with the MBE/WBE Procurement Program Ordinance;
 - (5) made to the City Risk Management coordinator about insurance requirements for a solicitation;
 - (6) made public at a meeting held under the Open Meetings Act; or
 - (7) made from a respondent's attorney to an attorney in the Law Department in compliance with Texas Disciplinary Rules of Professional Conduct.
- (G) Nothing in the Anti-Lobbying Ordinance prohibits communications regarding the solicitation between or among City official or City employees acting in their official capacity.
- (H) A contribution or expenditure defined in Chapter 2-2 (Campaign Finance) is not a representation.
- (4) Contract Voidable. If a contract is awarded to a Respondent who has violated these Anti-Lobbying & Procurement provisions, the contract is voidable by the Owner.
- (5) Debarment. If a Respondent has been disqualified under these provisions more than two times in a sixty month period the purchasing officer shall debar the responder from responding for a period not to exceed three years, provided the Respondent is given written notice and a hearing in advance of the debarment.

II. Rejection of Proposals

OWNER reserves the right to reject any or all responses received for this RFQ and to waive any minor informality in any submittal or solicitation procedure (a minor informality is one that does not affect the competitiveness of the Consultants).

I. The following will cause your firm to be deemed non-responsive:

- Form 2 – Affidavit of Authentication is not included with original signature and notarized.
- Form 3a– Prime Firm’s EEO Program is not included with original signature certifying firm conforms to City Code 5-4-2.
- Form 4 - Affidavit of Non-Collusion, Non-Conflict of Interest, and Anti-Lobbying is not included with original signature and notarized.
- The required Key Personnel do not have a current license/registration in the State of Texas at the time of submittal.
- The required Key Personnel are not employed by the prime firm as stated in the evaluation criteria.
- Failure to submit MBE/WBE or DBE Compliance Plan (or other MBE/WBE Procurement Program documents) in accordance with the MBE/WBE Procurement Program Package or DBE Procurement Program Package.
- Failure to have an authorized agent of the Proposer attend the mandatory Pre-Response Meeting, if applicable.
- Statement of Qualifications (SOQs) received from a Proposer who has been debarred or suspended by OWNER’s Purchasing Officer.
- SOQs received from a Proposer when Proposer or principals are currently debarred or suspended by Federal, State or City governmental agencies.

II. The following may cause your firm to be deemed non-responsive:

- Failure to provide a SOQ stamped “ORIGINAL”.
- Failure to provide the correct number of “COPY” SOQs.
- Failure to provide an electronic version on CD or Flash Drive of your complete SOQ.
- Form 3b – Title VI Assurances is not included with original signature.
- Form 5 - Affidavit of Availability is not included with original signature and notarized.
- Form 6 – Affidavit of Contract Execution is not included with original signature and notarized.
- Failure to provide a response to one or more of the Consideration Items.
- Response failed to show the prime firm performing the plurality of the services.

- Prime firm and/or subconsultants did not provide the number of projects required for an evaluation criteria item.
- Exceeding the maximum number of page limitations in any of the sections designated.
- Including projects that have not been completed within the specified time period.
- Combining forms.
- Failure to use the current City of Austin forms.
- Failure to acknowledge receipt of Addenda on Form 1 – Prime Firm General Information.
- Listing a subconsultant's qualifications in the body of the SOQ, yet failing to list the subconsultant on the compliance plan.

III. Release of Information

Under Texas law, information relating to this Solicitation may be kept confidential until a contract has been executed. OWNER shall not release information relative to this Solicitation during the proposal evaluation process or prior to contract execution, except as otherwise required by law.

IV. Award and Execution of Contract

Capital Contracting Director shall submit recommendation for award to the City Council for those project awards requiring City Council action. Contract will be signed by City Manager or his/her designee after award and submission of required documentation by consultant. Contract will not be binding upon OWNER until it has been executed by both parties. OWNER will process the Contract expeditiously. However, OWNER will not be liable for any delays prior to the award or execution of Contract. The consultant must adhere to the terms stated in Form 6 – Affidavit of Contract Execution.

Upon contract award, the selected consultant must submit either their existing or an updated personnel policy (on letterhead) documenting conformity with City Code, Chapter 5-4, § 5-4-2. If the company does not submit a copy of their personnel policy incorporating the non-discrimination policy, the company will not be in compliance and will not receive a contract award.

V. Protest Procedures

The OWNER's Capital Contracting Director has the authority to settle or resolve any claim of an alleged deficiency or protest. The procedures for notifying the City of an alleged deficiency or filing a protest are listed below. If you fail to comply with any of these requirements, the Capital Contracting Director may dismiss your complaint or protest.

Prior to Solicitation Due Date: If you are a prospective Respondent and you become aware of the facts regarding what you believe is a deficiency in the solicitation process before the Solicitation is due, you must notify the City in writing, through the authorized contact person, of the alleged deficiency before that date, giving the City an opportunity to resolve the situation prior to the Solicitation Due Date.

After Solicitation Due Date: If you submit a response to the City and you believe that there has been a deficiency in the solicitation process or the award, you have the opportunity to protest the solicitation process or the recommended award as follows:

1. You must file written notice of your intent to protest within four (4) calendar days of the date that you know or should have known of the facts relating to the protest. If you do not file a written notice of intent within this time, you have waived all rights to protest the solicitation process or the award.
2. You must file your written protest within fourteen (14) calendar days of the date that you know or should have known of the facts relating to the protest unless you know of the facts before the Solicitation was due. If you know of the facts before that date, you must notify the City as stated above.
3. You must submit your protest in writing, through the authorized contact person, and must include the following information:
 - a. your name, address, telephone, and fax number;
 - b. the solicitation number and the CIP number, if applicable;
 - c. a detailed statement of the factual grounds for the protest, including copies of any relevant documents.
4. Your protest must be concise and presented logically and factually to help with the City's review.
5. When the City receives a timely written protest, the Capital Contracting Director will determine whether the grounds for your protest are sufficient. If the Capital Contracting Director decides that the grounds are sufficient, the Capital Contracting Office will schedule a protest hearing, usually within five (5) working days. If the Capital Contracting Director determines that your grounds are insufficient, you will be notified of that decision in writing.
6. The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the purchase, the Law Department, the Capital Contracting Office and other appropriate City staff. You may bring a representative or anyone else that will present information to support the factual grounds for your protest with you to the hearing.
7. A decision will usually be made within fifteen (15) calendar days after the hearing.

8. The Capital Contracting Director will send you a copy of the hearing decision after the appropriate City staff have reviewed the decision.
9. When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Capital Contracting Director determines that:
 - a. The City urgently requires the supplies or services to be purchased, or
 - b. Failure to make an award promptly will unduly delay delivery or performance.In those instances, the Capital Contracting Office will notify you and make every effort to resolve your protest before the award.
10. The protest or notice of intent and the protest shall be submitted in writing to the following address:

SCOPE OF SERVICES

Solicitation Number: CLMP207

Project Name: Engineering Services for Electric Service Delivery

PROJECT FOR:

CITY OF AUSTIN, AUSTIN ENERGY, THROUGH ITS CAPITAL CONTRACTING OFFICE

PROJECT TITLE:

Engineering Services for Electric Service Delivery

OBJECTIVES OF THE PROJECT:

Provide engineering and associated services, for Austin Energy's Transmission, Substation, Distribution, Planning, Project Management, Operations, Public Involvement and Real Estate, and Network Engineering Groups.

BACKGROUND:

The selected firm shall serve as Electric Service Delivery's professional consultant and shall provide technical consultation and advice to Austin Energy (AE). The firm shall be capable of producing turnkey project and construction drawing packages. The firm shall also be capable of supplying on-site (at AE offices) engineering, technical, and drafting personnel as needed. The specific skills required and duration of time will be provided in each scope of work that is issued to the firm.

All tasks required to complete the work shall be performed by the firm or by their subconsultants under the supervision of the firm on a case by case basis. AE reserves the option to participate in the work to the degree deemed necessary or appropriate. When AE exercises the right to perform any part of the work, the firm shall cooperate with the assigned AE staff.

ANTICIPATED SERVICES:

An authorized AE representative, with input and assistance of the firm, shall develop for each assignment a scope of services consistent with AE's specific needs per assignment. Work is not to begin until the approved AE representative and the firm have agreed to a scope, schedule, and cost for each task or group of tasks and a notice to proceed (NTP) is issued. ***All designs for construction and engineering reports shall be stamped with an approved State of Texas Professional Engineering seal.*** The anticipated scope of engineering services AE may require is described below. Assigned projects may require only portions of the described scope of services. Related engineering services necessary for the implementation of a project may also be required.

A. Design Criteria Services:

In conjunction with AE, the firm shall, recommend general design criteria and methods for the design, performance and operation of new or upgraded AE transmission, substation, distribution, lighting, and network facilities. The objectives will define the scope of technical design features and establish a set of standards and methodology to review, analyze and recommend design options. The criteria shall, as a minimum, address the following:

- Safety Applicable Codes and Standards Reliability
- Electric and Magnetic Fields (EMF) Aesthetics
- Electric System Operations Economics
- Right-of-Way Requirements
- Environmental Impact and Permitting
- Feeder Analysis
- Failure Analysis
- Lightning Protection and Grounding
- Technical Training
- Drafting Services
- Power Quality Problem Resolution
- Civil/Structural Design Services
- Equipment Analysis and Selection
- Underground Distribution Design
- Street and Security Lighting Design
- Overhead Distribution Design
- Equipment/System Protection Coordination and Selectability

B. Transmission Design

1. Use PLS-CADD to perform, design and modify new and existing transmission lines and provide an "ISSUE FOR CONSTRUCTION" drawing package which includes plan and profiles, sag charts, hardware and structure details, materials lists, foundation designs and all related design calculations.
2. Use SAG10 software and sagging templates to make design modifications to existing hand-drawn manual drawings.
3. As-built existing lines utilizing existing information AE has and, performing some level of field reconnaissance, obtain necessary additional information.
4. Perform design of underground transmission lines.
5. Analyze existing lattice towers and their foundations for increased loading.
6. Obtain necessary permits to construct a transmission line (e.g., railroad crossings, Texas Department of Transportation (TxDOT), Federal Aviation Administration (FAA), environmental, counties, etc.).

C. Substation Design

1. Perform design and modification of new and existing substations to include material lists, foundation, drainage, and containment designs, and all related design calculations.
2. Must be able to design stations utilizing open air, enclosed switchgear and gas insulated substation (GIS) equipment.
3. Design substation feeder get-a-ways.
4. Obtain necessary permits to construct a transmission line (e.g., railroad crossings, Texas Department of Transportation (TxDOT), Federal Aviation Administration (FAA), environmental, counties, etc.).

D. Relay Design

1. Perform engineering and design of existing and new protective relay and control systems for AE's transmission, substation and distribution system.
 - a. Provide in-the-field construction support to technicians of relay design projects.
 - b. Generate as-built drawings of relay design projects.
2. Generate work instruction, trip check procedures, check-out guidelines and other procedural documentation for protective relay and control projects.
3. All work to be performed per AE and industry standards.
4. Extensive knowledge of electro-mechanical and microprocessor relay design is required.
5. Personnel performing the work described in "Relay Design" will predominately be required to work out of AE's offices.
6. Minimum 2 years' experience with relay drafting and design is required.

E. System Protection and Control

1. Perform system engineering and relay settings for new and existing transmission, substation, and distribution projects.
2. Personnel performing this work will predominately be required to work out of AE's offices.
3. Evaluate supervisory control and data acquisition (SCADA)/ energy management system (EMS) system and practices.
4. Evaluate and analyze system power quality abnormalities and develop resolutions.
5. All work to be performed per AE and industry standards.
6. Extensive knowledge of electromechanical and microprocessor relay design required.

F. Planning

1. Perform equipment outage analysis to determine continuous load requirements for all equipment.
2. Develop electrical loading criteria for all equipment during overload conditions. Develop a thermal loading model for transformers based on the Institute of Electrical and Electronics Engineers (IEEE) transformer loading guide.

3. Perform conductor selection analysis.
4. Perform AE system performance studies and associated analysis, including electric and magnetic field (EMF) effects, audible noise, radio and television interference; line resistance, reactance and losses; lightning effects; transient and switching surge effects; and grounding.
5. Perform distribution, network, and transmission expansion and contingency planning using industry standard tools. Experience in using Siemens' PSS®E transmission analysis package, PSCAD, and ABB's Foresite load-forecasting package is highly desirable.
6. Perform steady state load flow, stability analysis, short circuit, and EMT analyses.
7. Use industry accepted techniques to analyze system load forecasts to determine proper load allocation. Prepare local area forecast for Distribution and Network Planning Studies.

G. Grounding and Shielding

1. Design substation grounding systems to achieve touch and step voltages anywhere within the substation proper and to the substation perimeter fence that are less than or equal to the IEEE Std. 80 (latest revision) "IEEE Guide for Safety in AC Substation Grounding" recommended values. All grounding system designs shall be accomplished using the Current Distribution, Electromagnetic interference, Grounding and Soil (CDEGS) structure analysis software package developed and marketed by Safe Engineering Services & technologies, Ltd. (SES), Montreal, Quebec, Canada. SES can be reached at 1-800-668-3737.
2. Design grounding systems for transmission and distribution line structures to achieve specified maximum ohm values to remote earth.
3. Evaluate grounding systems of existing transmission, distribution, and network systems and facilities to assess their performance based on the IEEE Std. 80 (latest revision) or other criteria as set forth by AE. Perform ground system resistance tests using the Fall-of-Potential method in accordance with IEEE Std. 81 (latest revision), "IEEE Guide for Measuring Earth Resistivity, Ground Impedance, and Earth Surface Potentials of a Ground System" for use in the analysis and modification of existing grounding systems with no external or interconnecting grounds. However, for large or interconnected grounding systems, in low resistivity earth ($< 750\text{hm-m}$), and for grounding systems that have numerous extended grounding conductors (distribution neutrals, OHGWs, etc.), the ground system impedance test shall be conducted in accordance with IEEE Std. 81.2 (latest revision), "IEEE Guide for Measurement of Impedance and Safety Characteristics of Large, Extended or Interconnected Grounding Systems."
4. Perform studies and design solutions to resolve and address lightning issues within the AE system.

H. Distribution Design

1. Design, review, and approve overhead distribution feeders and service requests.
2. Design, review, and approve lighting for roadways and security.
3. Determine and design appropriate lighting levels for all illumination requirements at AE.

4. Design, review, and approved underground distribution feeders, downtown network feeders, and device requests.
5. Perform pole loading analysis using O-Calc software.

I. Drafting and Computer Aided Design (CAD) Services

1. On-site drafting personnel, when needed, shall be located at Kramer Lane and St. Elmo service centers. One (1) person at each site shall be capable of coordinating all work to meet requested deadlines. Drafting services can also be off-site with the capability of transferring documents electronically.
2. Revise existing drawings and prepare new drawings utilizing both manual and electronic methods. Manual shall include pencil and ink. Electronic shall be prepared in AutoCAD format (latest revision).
3. Utilize AE's drafting standards and conventions, unless otherwise mutually agreed.
4. Reproducible engineering drawings shall be available in paper, sepia, Mylar or blue line, as needed by AE.
5. Able to generate and furnish plan and profile drawings from GIS format survey information files.
6. Minimum experience level shall be four (4) years' experience with AutoCAD 2014 (no Microstation or other incompatible software).
7. Ability to transfer files through a shared website/server.

J. Standards, Specifications, and Guidelines

1. Prepare, submit, review, and revise engineering design and construction standards as required.
2. Develop performance standards and prepare specifications for equipment, conductors, and hardware necessary for assisting in procuring materials detailed in AE's standards.
3. Develop Project Manuals by a registered professional engineer in the State of Texas for issuance for bid (IFB) projects (e.g., control houses, substation enclosures, etc.).

K. Equipment and Materials

1. Analyze materials and equipment shop samples, catalog data, schedules, shop drawings, and shop and mill tests as required.
2. Perform and assist in the analysis of failed components and systems in use at AE.
3. Analyze and evaluate existing construction, hardware, and equipment standards to determine suitability for existing and planned loads as required. Review and analyze available engineering data, develop computerized load models, prepare graphics, report calculations and findings, and make recommendations to remedy existing or potential problems.
4. Perform in-service equipment tests and analysis per manufacturer-listed requirements.

L. Permitting and Environmental

1. Develop erosion and sedimentation control plans to meet all ordinances and regulatory requirements.
2. Develop water quality and drainage designs to meet any applicable local, state and federal requirements.
3. Develop alternative schemes and provide final designs for landscaping and visual screening of electrical system facilities.
4. Incorporate design elements determined applicable from the Sustainable Design Checklist for Municipal Buildings/Projects in compliance with Volume 1 of the City of Austin Sustainable Building Guidelines.
5. Prepare storm water pollution prevention plans (SWPPP) per Environmental Protection Agency (EPA) requirements for sites over one acre of disturbance.
6. Prepare permit drawings for projects requiring Site Development, General Permit or Demolition permits through the City of Austin.
7. Prepare permits and associated drawings for projects required for other jurisdictions such as Texas Commission on Environmental Quality, counties (e.g., Travis County), etc.
8. Prepare studies required to supplement permit drawings.
9. Act as AE's agent in the approval of permits.

M. Right-Of-Way (ROW) and Siting Services

The scope of work for a particular assignment may include the development and acquisition of ROW requirements for AE transmission and distribution systems. The firm(s) may also perform siting studies and develop siting requirements, as specified by AE, for new construction or for modifications to existing facilities. Criteria for right-of-way and siting analysis shall include applicable ordinances, regulations, standards and codes, land-use and compatibility issues, line clearances, right-of-way and site access, safety, cost, and other pertinent factors. Services required for right-of-way and site acquisitions may include, but shall not be limited to the following:

1. Determine right-of-way widths for various overhead and underground transmission and distribution designs and configurations.
2. Prepare right-of-way strip maps for proposed line routes.
3. Prepare individual boundary survey and legal descriptions based on approximately five hundred tracts to be acquired (fee simple or easements)

The transmission system operates at 69kV, 138kV, and 345kV voltages. The distribution system operates at 12.5kV. The network operates at 15kV and 34.5kV.

N. Public Involvement Services

The scope of work for a particular assignment may include the following identified activities. All work will be done in accordance with City of Austin and AE standards.

1. Review proposed project maps and descriptions to assist in defining ROW related concerns.
2. Prepare public notices on behalf of AE.
3. Attend meetings to discuss ROW considerations /alternatives
4. Contribute to Routing Analysis (impacts of alternative, estimated ROW cost for each alternative).
5. Pre - Acquisition Services, as required.
 - Prepare initial property owner contract list for use by AE in distribution of ROW agent introduction letters, if desired by AE.
 - Research preliminary ownership and easement information.
 - Develop right of way maps, surveys, and legal descriptions of needed property rights.
 - Provide detailed right of way cost estimates on a parcel by parcel basis.
 - Assist in preparing and obtaining any Rights of Entry necessary for surveying, geotechnical investigations, appraisal, and environmental services.
6. Acquisition Services, as required based on the acquisition of approximately 500 tracts (easement or fee):
 - Title Services
 - Initial Appraisal
 - Introductory Letter
 - Negotiation Services
 - Title Curative Facilitation
 - Facilitate Closings
 - Condemnation Support
7. Project Administration
 - Prepare Monthly Status Reports of all parcel and project activities.
 - Participate in project review meetings as requested.
 - Provide project files complete with all correspondence, title, appraisal, survey, Permission to survey, offers to purchase, and fully executed closing documents to AE in electronic format.

PROPOSED PROCUREMENT SCHEDULE

Submittal Due Date:	September 30, 2016
City Council (Anticipated):	January 2017
Contract Execution:	March 2017

COST ESTIMATE:

The City anticipates developing and executing a professional services agreement with a three year term for an estimated not-to-exceed amount of \$6,450,000, or \$2,150,000 per year, or until available funding authorization is expended. The firm will be compensated under a standing contract for varying amounts depending on the job assignment.

Authorization of services shall be contingent upon annual Council approval of the CIP budget and extensions of this contract. *This contract does not in any way guarantee payment by AE to whether a subconsultant or prime firm, will be evaluated under Consideration Item 6-Major Scopes of Work-Comparable Project Experience.* In addition, the City has identified Other Scopes of work that MAY materialize during the course of the project. The City does not guarantee that the scopes listed under Other Scopes of work will materialize on this contract.

If the prime firm(s) intend(s) to enter into a subconsulting agreement on a scope of work not listed below, the prime firm(s) is/are required to contact SMBR and request an updated availability list of certified firms in each of the scopes of work for which the prime consultant intends to utilize a subconsultant.

MAJOR AND OTHER SCOPES OF WORK:

Below is a list of the major scopes of work that the City has identified for this project. ****There must be representation for all major scopes of work listed in the prime's statement of qualifications. The experience of the firms listed to perform the Major Scopes of Work, whether a subconsultant or prime firm, will be evaluated under Consideration Item 6 – Major Scopes of Work – Comparable Project Experience.***

In addition, the City has identified Other Scopes of work that MAY materialize during the course of the project. The City does not guarantee that the scopes listed under Other Scopes of work will materialize on this contract. If the prime consultant intends to enter into a subconsulting agreement on a scope of work not listed below, the prime consultant is required to contact SMBR and request an updated availability list of certified firms in each of the scopes of work for which the prime consultant intends to utilize a subconsultant.

*** Major Scopes of Work**

Electric Utility Protection and Control Engineering
Electrical Engineering

Other Scopes of Work

Surveying Services
Right-Of-Way (ROW) Services
Drafting and CAD Services
Civil Engineering
Drainage Engineering
Foundation Engineering
GIS Services
Laboratory and Field Testing Services
Concrete Testing Services
Geotechnical – Soils
Public Information Services

Environmental Permitting Services

Notes:

- Construction Inspection is **NOT** a subconsultant opportunity. These services will be performed in-house or under a separate contract, if needed, and will be determined when project assignment is made.
- Participation at the prime or subconsultant level may create a conflict of interest and thus necessitate exclusion from any contracts resulting from the work performed in the design phase.
- If the City determines that a conflict of interest exists at the prime or subconsultant level, the City reserves the right to replace/remove the prime or instruct the prime consultant to remove the subconsultant with the conflict of interest and to instruct the prime consultant to seek a post-award change to the prime consultant's compliance plan as described in City Code § 2-9B-23. Such substitutions will be dealt with on a case-by-case basis and will be considered for approval by Small and Minority Business Resources (SMBR) in the usual course of business. The City's decision to remove a prime or subconsultant because of a conflict of interest shall be final.
- A consultant performance evaluation will be performed on all professional services contracts. This evaluation will be conducted at the end of each Preliminary, Design and Construction phase.
- Please review the City of Austin's Public Participation Principles

(<http://austintexas.gov/page/public-participation-principles>)

CITY OF AUSTIN PUBLIC PARTICIPATION PRINCIPLES: Accountability and Transparency

The City will enable the public to participate in decision-making processes by providing clear information on the issues, the ways to participate, and how their participation contributes to the decision.

Fairness & Respect

The City will maintain a safe environment that cultivates and supports respectful public engagement and will expect participants to do so in turn.

Accessibility

The City will respect and encourage participation by providing ample public notice of opportunities and resources and accommodations that enable all to participate.

Predictability & Consistency

The City will prepare the public to participate by providing meeting agendas, discussion guidelines, notes, and information on next steps.

Creativity & Community Collaboration

(Inclusivity and Diversity)

The City will use innovative, proven, and customized engagement solutions that are appropriate to the needs of the projects and the participants.

Stewards of Resources

The City will balance its commitment to provide ample opportunities for public involvement with its commitment to delivering government services efficiently and using City resources wisely.

EVALUATION CRITERIA

STAND ALONE SOLICITATIONS

Solicitation Number: CLMP207

Project Name: Engineering Services for Electric Service Delivery

The following is a description of items to receive consideration in the evaluation of responses for providing professional engineering/architectural/planning services to the City of Austin. Following each description are the evaluation points associated with the item. TOTAL POSSIBLE POINTS EQUALS 100 (plus 15 points for interviews, if conducted). Wherever used, "prime firm" denotes a single firm or a joint venture responding as the prime consultant. Wherever used, "page" refers to single-sided, single spaced, 10-point minimum font printed 8-1/2 x 11-inch pages. The prime firm shall perform the largest share of the assignment (on an estimated percentage of total agreement basis). Responses failing to show the prime firm performing the plurality of the services shall be rejected as non-responsive.

Limitations on volume of requested information apply equally to single firms and joint ventures regardless of the number of firms partnering in the joint venture. Responses with excess volume or which do not include information for the evaluation of all consideration items may not be thoroughly reviewed or may be rejected as non-responsive.

All prime firms and subconsultants must be registered to do business with the Owner prior to contract award. Prime firms are responsible for ensuring that their subconsultants are registered as vendors with the City of Austin. You may register through the Owner's on-line Vendor Registration system. Log on to the link below and follow the directions: https://www.ci.austin.tx.us/financeonline/vendor_connection/index.cfm

NOTES:

- ❖ Firms and individuals, who are proposed as staff on this RFQ, must adhere to the requirements of Subchapter A of the Texas Professional Engineering Practice Act regarding the use of the term "engineer". The full text of the Texas Professional Engineering Act may be found at: <http://www.engineers.texas.gov>.
- ❖ Firms and individuals who are proposed as staff on this RFQ, must adhere to the requirements of Subchapter A of the Texas Architecture Practice Act regarding the use of the term "Architect". The full text of the Texas Architecture Practice Act may be found at: <http://www.statutes.legis.state.tx.us/Docs/OC/word/OC.1051.doc>

DEFINITIONS:

The following definitions are meant to assist the prime firm in determining the appropriate key team members for this project. These definitions are not exhaustive and are meant only as a guide.

1. "Completed Project" - The City will consider a project complete when:
 - a) The specified discipline for which you are working has been completed; or,
 - b) All phases or scopes of work have been completed.
2. "Project Manager": The COA defines a project manager as an individual in the prime firm who:
 - ♦ Sets deadlines, assigns responsibilities and monitors and summarizes progress of project.
 - ♦ Has the responsibility of the planning, execution and closing of a project.
 - ♦ Responsible for accomplishing the stated project objectives and deliverables.
 - ♦ Leads project meetings to collect and disseminate information pertaining to the project.
 - ♦ Coordinates the collection and dissemination of information between/within the company and COA.
 - ♦ Manages all aspects of the project, including subconsultants.

3. "Project Principal": The COA defines a project principal as an individual in the prime firm who:
 - ♦ Has executive oversight of projects.
 - ♦ Has the authority to remove the PM and/or Project Professional (PE or PA) assigned to this project.
 - ♦ Has the authority to secure additional resources to the project.
4. "Project Professional": The COA defines a project professional as an individual in the prime firm who:
 - ♦ Serves as lead Engineer, Architect, Landscape Architect, Planner or other professional on the proposed team who designs and develops project specifications.
 - ♦ Creates, reviews and provides resolution of technical specifications.
 - ♦ Directs other professional activities.
 - ♦ Is responsible for the preparation of probable construction cost estimates.
 - ♦ Has all required licenses, certifications or registrations from the State of Texas at the time of submittal.

CONSIDERATION ITEM 1

MBE/WBE PROCUREMENT PROGRAM

Were Goals achieved or did response indicate that a Good Faith Effort was made to achieve the Goals?

- No** - Response **will not** be evaluated.
- Yes** - Evaluation of the response will continue.

Attach the following:

- **MBE/WBE Compliance Plan**
- **Letters from subconsultants confirming contact/commitment to the project.**

CONSIDERATION ITEM 2

TURNED IN ALL REQUIRED DOCUMENTS

Did respondent turn in the requested documents as required by this Consideration Item and the forms and submittal requirements for all other consideration items?

- No** - Response **will not** be evaluated.
- Yes** - Evaluation of the response will continue.

Respondent must attach the following to Consideration Item 2:

- **Form 1 – Prime Firm General Information**
- **Form 2 – Affidavit of Authentication**
- **Form 3A - Prime Firm's EEO Program**
- **Form 3B - Title VI Assurances**
- **Form 4 - Affidavit of Non-Collusion, Non-Conflict of Interest, and Anti-Lobbying**
- **Form 5 - Affidavit of Availability**
- **Form 6 - Affidavit of Contract Execution**

NOTE: Other forms and submittal documents required in the remaining consideration items should be attached to that respective consideration item.

CONSIDERATION ITEM 3a

TEAM'S STRUCTURE

10 Points Maximum

City is interested in team's organizational structure. Identify project leadership, reporting responsibilities, how prime firm will interface with City's project manager, and how

subconsultants will work within the team structure. Describe the roles of the key individuals proposed to work on this project.

- Provide an organizational chart and brief narrative. The total number of pages should not exceed three (3) pages. Indicate activities, responsibilities and key personnel on the organizational chart. Organizational chart may be submitted on 11 x 17 paper. Response should align with team's proposed MBE/WBE Compliance Plan provided in Consideration Item 1 above.

CONSIDERATION ITEM 3b
TEAM'S PROJECT APPROACH
20 Points Maximum

City is interested in team's overall understanding of the project scope and issues. Describe any significant project issues and the team's approach in addressing those issues. Reference issues seen on similar scoped projects, and the overall approach to mitigate those and other issues. Describe your team's methods to successfully complete the work; your team's understanding of the techniques and sequencing required; and how the prime firm will interface with the City's appointed representative. Please describe the major subconsultants' placement in the overall approach to the project.

- Provide a narrative not to exceed five (5) pages.

CONSIDERATION ITEM 4
EXPERIENCE OF PROJECT MANAGER AND PROJECT PROFESSIONAL (past 10 Years)
20 Points Maximum

(Project Manager – 12 points; Project Professional – 8 points)

City is interested in the experience of the Project Manager and Project Professional that demonstrates history and success with projects of similar programs, budgets, and/or clients as the project described in this solicitation. Points will be awarded as indicated above. Only one individual per job responsibility should be designated. Project Manager and Project Professional must be employed by the prime firm and may be the same individual. Project Professional must be licensed as a professional engineer in the State of Texas at the time of submittal.

List three (3) projects meeting these criteria which have been completed in the past ten (10) years for each individual.

- One (1) page per project.

- **Complete Form 7 – Experience of Project Manager. Please provide no more than one (1) page per project.**
 - **Complete Form 8 – Experience of Project Professional. Please provide no more than one (1) page per project.**
 - **Attach a resume of no more than two (2) pages for each individual.**
-

CONSIDERATION ITEM 5

PRIME FIRM'S COMPARABLE PROJECT EXPERIENCE (past 5 years)

15 points maximum

City is interested in the prime firm's history and success with projects of similar programs, budgets, and/or clients as the project described in this solicitation. List three (3) projects meeting these criteria which have been completed in the past five years. In addition, City may consider history of firm in complying with project programs, schedules, and budgets on previous City projects.

- **Provide a narrative not to exceed one (1) page. Complete Form 10 and provide no more than one (1) page per project.**
-

CONSIDERATION ITEM 6

MAJOR SCOPES OF WORK - COMPARABLE PROJECT EXPERIENCE (past 5 years)

15 points maximum

The City has identified Major Scopes of Work to be provided for this project, which are included in the Scope of Services. Each scope of work can be accomplished through subcontracting other firms or utilizing the prime firm. The City is interested in the history and success of the firm proposed to perform the scope of work (subconsultant or prime), with projects of similar programs, budgets, and/or clients as the areas identified. List three (3) projects per Major Scope of Work meeting these criteria which have been completed in the past five years. In addition, City may consider history of firms in complying with project programs, schedules, and budgets based on previous City projects. If more than one firm is listed for a particular Major Scope of Work, the City expects the work will be divided evenly among them. If more than one (1) firm is listed for a particular Major Scope of Work, list three (3) projects per firm per scope of work. Provide no more than one (1) page per firm per scope.

- **Complete Form 11 for each Major Scope of Work listed in the Scope of Services. Provide no more than one page per Major Scope of Work, per firm. All major subconsultants listed in this item must also be included in your MBE/WBE compliance plan.**

CONSIDERATION ITEM 7

TEAM'S EXPERIENCE WITH AUSTIN ISSUES

10 Points Maximum

City is interested in team's (including subconsultants) experience with Austin issues, as may be evidenced by work in the Austin area during the past five (5) years. Briefly describe experience in the following areas and reference projects relating to that experience:

- ♦ City of Austin site development and/or building permit requirements.
- ♦ Austin area construction in the public right-of-way.
- ♦ Austin area construction costs and practices.
- ♦ Austin environmental community, conditions and constraints.
- ♦ Responsiveness due to proximity of projects to local office.

➤ Provide a brief narrative of no more than four (4) pages.

CONSIDERATION ITEM 8

CITY OF AUSTIN'S EXPERIENCE WITH PRIME FIRM (past 5 years)

10 Points Maximum

The City will consider the history of the firm in complying with project programs, schedules, and budgets on previous City of Austin projects within the last five (5) years. Firms with previous projects with the City of Austin and have had no issues will receive 10 points. Points will be deducted if the City has had negative experience with the prime firm's performance on City projects. Deductions are based on Consultant Evaluations completed by Project Managers at the end of each phase of the project.

Specific consideration items by phase may include:

- ♦ Timely completion of projects and timeliness of performance per PSA and authorized amendments.
- ♦ Timely, accurate, and complete payment applications and payments to subconsultants.
- ♦ Deliverables met criteria established in contract / resolution of significant issues in writing.
- ♦ Compliance with City ordinances on substitution/addition/deletion of subconsultants.
- ♦ Compliance with Minority and Women-Owned Business Procurement Program.
- ♦ Compliance with City standards, including regulatory compliance and permitting requirements.
- ♦ Conformance to City budget/cost requirements.

EVALUATION CRITERIA – STAND ALONE

- Preliminary, Design, and Bid/Award - estimates were within Fixed Construction Budget.
- Construction - dollar value of change orders were $\leq 5\%$ of construction contract amount.
- ♦ Quality of work performed.

Firms who have had no previous projects with the City of Austin will receive a score equal to the average of all engineering firms in the data base with previous City projects.

CONSIDERATION ITEM 9 **INTERVIEWS (OPTIONAL)** **15 Points Maximum**

The City has determined that it is necessary to interview short-listed firms prior to making a recommendation to the City Council. Staff intends to use the following guidelines for the mandatory interview process:

- ♦ The number of firms interviewed will depend on the closeness of the scores following evaluation of the written proposals.
- ♦ Staff will consider significant gaps in point separation between the top ranked firms in determining the number of firms to be interviewed.
- ♦ Only firms that are considered qualified to perform the work, on the basis of their written proposal, will be invited for interviews.
- ♦ No more than five firms will be interviewed.

OVERVIEW

This document should be read in conjunction with the City of Austin’s Minority-owned and Women-owned Business Enterprise Procurement Program Ordinance for Professional Services (Chapter 2-9B of the Austin City Code) and the Small and Minority Business Resources Department (SMBR) Rules. The definitions contained in Chapter 2-9B applies to this document. The City Code and Rules are amended from time to time and the Proposer is responsible for ensuring they have the most up to date version. The City Code and Rules are incorporated into this document by reference. Copies of Chapter 2-9B and SMBR Rules may be obtained online at <http://www.austintexas.gov/departments/small-and-minority-business/about> or from SMBR, 4201 Ed Bluestein, Austin, Texas 78721 (512) 974-7600.

Firms or individuals submitting responses to this Request for Qualification agree to abide by the City’s Minority-owned and Women-owned Business Enterprise (MBE/WBE) Procurement Program and Rules. The City’s MBE/WBE Program is intended (1) to promote and encourage MBEs and WBEs to participate in business opportunities with the City of Austin; (2) to afford MBEs and WBEs an equal opportunity to compete for work on City contracts; and (3) to encourage contractors to provide subcontracting opportunities to certified MBEs and WBEs by soliciting such Firms for subcontracting opportunities. The City of Austin and its contractors shall not discriminate on the basis of race, color, national origin, disability, or gender in the award and performance of contracts.

The City encourages Proposers to achieve the MBE/WBE participation goals and subgoals for this contract. However, Proposers may comply with the City Code and Rules without achieving the participation goals so long as they make and document Good Faith Efforts that would allow MBE and WBE participation per Section 2-9B-21 of the City Code and Section 9.1 of the Rules. Proposers that do not meet the project’s goals and subgoals are subject to Good Faith Efforts review.

Prior to the due date and time specified in the City’s solicitation documents, all Proposers (including those Firms certified as MBE/WBEs) shall submit: (1) *MBE/WBE Compliance Plan* (Appendix A); and (2) if it is anticipated the project goals will not be met, all appropriate documentation to demonstrate Good Faith Efforts to meet the project goals. Any questions regarding preparation of the *Compliance Plan* should be directed to SMBR at SMBRComplianceDocuments@austintexas.gov. Such contact will not be a violation of the Anti-Lobbying Ordinance.

The City has implemented Anti-Lobbying Ordinance (Chapter 2-7 of the Austin City Code). Under Chapter 2-7, there is a “no-contact” period from the date the City issues a solicitation until the contract is executed. During the “no-

contact” period, a person responding to a City solicitation can speak only to the contract’s authorized contact person regarding their solicitation response. Chapter 2-7 allows certain exceptions; for instance, a person responding to a City solicitation may speak to SMBR regarding this *Compliance Plan*. See the full language of the City Code or solicitation documents for further details.

If the *Compliance Plan* and Good Faith Efforts documentation are not submitted prior to the due date specified in the solicitation documents, the proposal will be deemed non-responsive and not be accepted for consideration.

COMPLIANCE PLAN INSTRUCTIONS

(See Appendix A)

SMBR may request written clarification of items listed on the *Compliance Plan*. However, there will be no further opportunity for the Proposer to augment the MBE/WBE participation originally listed in the *Compliance Plan* or to demonstrate Good Faith Efforts that were not made prior to the submission of the *Compliance Plan*. Changes to the *Compliance Plan* are permitted only after contract execution and only with prior written approval of SMBR.

Please type or clearly print all information, use “none” or “N/A” where appropriate, and sign and date the *Compliance Plan* as indicated. ***Compliance Plans not complying with the Compliance Plan Instructions shall be rejected as non-responsive. Submissions not utilizing the forms provided with the solicitation may render the submission nonresponsive or noncompliant.***

Section I Project Identification and Goals

This section includes the pre-printed Project Name, Project/Solicitation Number, and goals and/or subgoals. The Proposer shall initial one of the following Statements of Responsibility options indicating if they will meet the MBE/WBE solicitation goals using certified MBE/WBE firms or will be submitting Good Faith Efforts documentation demonstrating efforts to meet the established MBE/WBE solicitation goals. The Compliance Plan will be reviewed and approved by the Small and Minority Business Resources Department.

Section II Proposer Company Information

The Proposer should complete this section with its information and sign in the space provided. The portion of Section II marked as “Reserved for City of Austin SMBR Only” should be left blank.

Section III Disclosure of MBE and WBE Participation

Please list all certified MBE/WBEs subconsultants, using the legal name under which they are registered to do business with the City of Austin, to be used in the performance of this contract.

By listing certified MBE and WBE Firms on the *Compliance Plan*, the Proposer indicates that both parties acknowledge the scope of work and that they are prepared to contract if the City awards the project to the Proposer. A Letter of Intent (LOI) does not replace a binding contract between a prime consultant and a subconsultant.

Before completing Section III through VI of the Compliance Plan, please read the following instructions regarding how to count MBE/WBE participation:

(A) Only the value of the work actually performed by the MBE/WBE shall be counted toward the goals. This includes:

- (1) work performed by the MBE/WBE’s own forces;
- (2) the cost of supplies, materials, or equipment purchased, leased, or otherwise obtained by the MBE/WBE for the work of the contract (except that supplies, materials, and equipment purchased or leased from the prime consultant or its affiliate may not be counted toward the goal); and
- (3) fees or commissions charged by a MBE/WBE for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the

performance of a contract, provided the fee is reasonable and not excessive as compared with fees customarily allowed for similar services.

(B) When a Proposer purchases supplies, materials, or equipment from a MBE/WBE, the cost of those supplies, materials, or equipment shall be counted toward the goals as follows:

(1) If the supplies, materials, or equipment are obtained from a MBE/WBE that is a Manufacturer or Regular Dealer, 100 percent of the payment for the supplies, materials, or equipment shall be counted toward the goals.

(2) If the supplies, materials, or equipment are obtained from a MBE/WBE that is neither a Manufacturer nor a Regular Dealer, the cost of the materials and supplies themselves shall not be counted toward the goals. However, fees or commissions charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for the delivery of materials or supplies required on a job site, may be counted toward the goals if the payment of such fees is a customary industry practice and such fees are reasonable and not excessive as compared with fees customarily allowed for similar services.

(C) When a MBE/WBE subconsultant listed on the *Compliance Plan* subcontracts part of the work of its contract to another Firm, the value of that second-level subcontracted work may not be counted toward the goals based on the initial subconsultant's MBE/WBE certification. Please see Section V for an explanation of how to count the value of second-level subconsultants' work.

(D) A Firm owned by a minority woman may be certified as both a MBE and a WBE (dual certified). On a single contract, the value of the work performed by a dual certified subconsultant may not be counted toward both the MBE and the WBE goals. The Proposer must decide whether to designate the dual certified subconsultant as an MBE or a WBE in the Compliance Plan for the purpose of meeting the goals set for that contract. That designation may not be changed for the duration of the contract.

(E) When a MBE/WBE performs as a participant in a certified Joint Venture, only the portion of the contract value that is the result of the distinct, clearly defined portion of the work that the MBE/WBE performs with its own forces and for which it is at risk shall be counted towards the project goals. For more specific information regarding requirements and evaluations of certified MBE/WBE Joint Ventures, please see the City's MBE/WBE Procurement Program Rules or contact SMBR's Certification Division.

(F) Only expenditures to a MBE/WBE contractor that is performing a Commercially Useful Function shall be counted toward the project goals. If SMBR makes an initial determination that a MBE/WBE is not performing a Commercially Useful Function given the type of work involved and normal industry practices, the MBE/WBE may present evidence to rebut this presumption.

(G) To be counted toward project goals, MBE/WBEs must be certified by SMBR prior to the due date to submit the Compliance Plan as specified in the City's solicitation documents. A Firm that is certified as a MBE/WBE at the time that the Compliance Plan is filed may cease to be a certified Firm before the contract is completed. Only the value of the work performed by such a Firm while it is certified may be counted toward the project goals.

Section IV Disclosure of Non-Certified Subconsultants

Please list all known non-certified subconsultants, using the legal name under which they are registered to do business with the City of Austin, to be used in the performance of this contract. If Proposer will not use any non-certified Firms, please write "N/A" in the first box on this page. Do not include the value of work that the MBE/WBE subconsultants will be subcontracting to second-level subconsultants.

If additional scopes of work are identified in this section as available for subcontracting beyond those identified in the availability lists provided, Proposer must contact SMBR to request an availability list of certified Firms for those additional scopes of work.

The scopes of work indicated in Section IV will be considered subcontracting opportunities for MBEs and WBEs, unless it is demonstrated that certified MBEs or WBEs are unavailable or do not possess the requirements in the technical portion of the solicitation to perform the work involved. If Proposer did not meet the project goals, Proposer must explain in the space provided why MBEs/WBEs were not used as subconsultants. If Proposer did meet the project goals, please write "Goals Met" in the space provided.

Section V Disclosure of Second-Level Subconsultants

Please complete this section if Proposer knows that one or more of Proposer's subconsultants will subcontract part of the work of their contracts to second-level subconsultants. In the last line of each entry box, please write the name of the first-level subconsultant that will be subcontracting work to the second-level subconsultant. Identify second-level contractors by the legal name under which they will be registered to do business with the City. The first-level subconsultant should be listed in Section III or Section IV. If Proposer is not aware of any second-level subconsultants, please write "N/A" in the first box on this page.

As discussed in Section III above, when a MBE/WBE subconsultant subcontracts part of the work of its contract to another Firm, the value of that second-level subcontracted work may not be counted toward the goals based on the initial subconsultant's MBE/WBE certification. The value of the second-level subcontracted work may be counted toward the project goals only based on the second-level subconsultant's own MBE/WBE certification, if any. The work that a MBE/WBE subcontracts to a non-certified Firm does not count toward the goals. Work that a MBE/WBE subconsultant contracts to another certified Firm shall not be counted twice towards the goal.

Section VI MBE/WBE *Compliance Plan* Check List

Please complete the MBE/WBE *Compliance Plan* Check Sheet with the information requested.

GOOD FAITH EFFORTS INSTRUCTIONS

The Proposer has a responsibility to make a portion of the work available to MBE/WBE subconsultants so as to facilitate meeting the goals or subgoals. If the Proposer cannot achieve the goals or subgoals, documentation of the Proposer's Good Faith Efforts to achieve the goals or subgoals must be submitted at the same time as the *Compliance Plan*. The SMBR Director will review the documentation provided and determine if the Proposer made sufficient Good Faith Efforts. That there may be some additional costs involved in soliciting and using MBEs and WBEs is

not a sufficient reason for a Proposer's failure to meet the goals and subgoals, as long as such costs are reasonable. However, a Proposer is not required to accept a higher quote from a subconsultant order to meet a goal or subgoal.

Contacting Potential MBE/WBE Subconsultants

The City has determined the scopes of work for this project and provided an Availability List of all the MBE and WBE firms certified to perform those scopes. The Availability List is found at Appendix D and has two sections: *Vendors Within the Significant Local Business Presence (SLBP) Area* and *Vendors Outside the Significant Local Business Presence (SLBP) Area*. As part of Good Faith Efforts, Proposers **must** contact **all** firms listed in the *Vendors Within the SLBP Area* section. Please note that every firm on the Availability List – outside the SLBP – is City-certified as an MBE or WBE for purposes of meeting the project goals, and Proposers are encouraged to contact all the firms. If a Proposer identifies an additional scope of work for this project not identified in the solicitation, the Proposer must request from SMBR an Availability List for that scope of work and contact all firms, if any, on such list. The SMBR Director determines whether the Proposer has made sufficient Good Faith Efforts if goals or subgoals are not met.

The City neither warrants the capacity or availability of any Firm, nor does the City guarantee the performance of any Firm indicated on the availability list.

The availability list is sorted in numerical sequence by National Institute of Governmental Purchasing (NIGP) Commodity Code. It includes all certified MBE/WBE vendors for the scopes of work identified by the City as being potentially applicable to this project. However, the availability list is not a comprehensive identification of all areas of potential subconsulting opportunities. If a Proposer identifies one or more work areas that are appropriate subconsulting opportunities that not included on the availability list, the Proposer shall contact SMBR to request the availability list for MBE and WBE Firms in those areas. Requests for supplemental availability lists will be evaluated as a part of the Proposer's Good Faith Efforts to meet the goals.

If the Proposer believes any of the work areas on the availability list are not applicable to the project's scope of work or if the Proposer believes that the lists are inaccurate, the Proposer shall notify the authorized contact person of the concern immediately and prior to submission of the response to the solicitation. All Proposers will be notified in writing of any inaccuracy by addendum to the solicitation. Concerns about a particular MBEs/WBE's certification status may be addressed to SMBR at SMBRComplianceDocuments@austintexas.gov. If the Proposer wants to use a certified subconsultant that does not appear on this list, Proposer may either request the certified subconsultant to furnish proof of certification and the specific work areas for which it has been certified or request such information from SMBR.

Appendix B shows the format for collecting required information from the subconsultants on the *Vendors Within SLBP Area* availability list. The information must be obtained at least seven (7) business days prior to the submission of the *Compliance Plan*; alternate formats may be acceptable as long as they gather the same required information. Attached to the Subconsultant Vendor List at Appendix D is a list containing the names and addresses of all these MBE/WBE Firms in alphabetical order. This list is in label format and is designed to facilitate the printing of mailing labels.

The following codes are used on the availability lists:

G	Gender code	LOC	A firm's two-digit location code (e.g., SL or TX)
F	Female	AU	Austin
M	Male	SL	Significant Local Business Presence (SLBP)
		TX	Outside SLBP

MBE	A firm certified as a Minority-owned Business Enterprise	WBE	A firm certified as a Woman-owned Business Enterprise
MWB	A firm certified as both a Minority-owned & Woman-owned Business Enterprise	WMB	A firm certified as both a Woman-owned & Minority-owned Business Enterprise
MWDB	A firm certified as a Minority-owned, Woman-owned, and Disadvantaged Business Enterprise	WMDB	A firm certified as a Woman-owned, Minority-owned, and Disadvantaged Business Enterprise

Good Faith Efforts Review

If goals are not met, SMBR will examine the *Compliance Plan* and the Good Faith Efforts documentation submitted with the *Compliance Plan* to ensure that the Proposer made Good Faith Efforts to meet the project goals or subgoals. In determining whether the Proposer has made Good Faith Efforts, SMBR will consider, at a minimum, the Proposer's efforts to do the following:

- (A) Solicit certified MBE/WBE subconsultants with a Significant Local Business Presence (SLBP) and request a response from those interested subconsultants who believe they have the capability to perform the work of the contract through at least two reasonable, available, and verifiable means. The Proposer must solicit this interest more than seven (7) business days prior to submission of the Compliance Plan to allow sufficient time for the MBEs or WBEs to respond. (The date bids/proposals are due to the City should not be included in the seven day solicitation criteria.) The Proposer must state a specific and verifiable reason for not contacting each certified Firm with a significant local business presence.
- (B) Provide interested MBEs/WBEs with adequate information about the plans, specifications, and requirements of the contract, including addenda, in a timely manner, to assist them in responding and submitting a proposal.
- (C) Negotiate in good faith with interested MBEs/WBEs that have submitted bids/proposals to the Proposer. A MBE/WBE that has submitted a bid to a Proposer but has not been contacted within five (5) business days of submission of the bid may contact SMBR to request a meeting with the Proposer. Evidence of good faith negotiation includes the names, addresses, and telephone numbers of MBEs/WBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subconsulting; and evidence as to why additional agreements could not be reached for MBEs/WBEs to perform the work. Bid shopping is prohibited.
- (D) Select portions of the work to be performed by MBEs/WBEs in order to increase the likelihood that the MBE/WBE goals or subgoals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE/WBE participation, even when the Proposer might otherwise prefer to perform these work items with its own forces.
- (E) Publish solicitation notice in a local publication (i.e. newspaper, trade association publication, or via electronic/social media).
- (F) Use the services of available community organizations; minority persons/women consultants' or groups in the applicable field for the type of work described in this solicitation; local, state, and federal minority persons/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of MBEs/WBEs.
- (G) Seek guidance from SMBR on any questions regarding compliance with this section.

The following factors may also be considered by SMBR in determining compliance through good faith efforts; however, they are not intended to be a mandatory checklist, nor are they intended to be exclusive or exhaustive:

(A) Whether the Proposer made efforts to assist interested MBEs/WBEs in obtaining bonding, lines of credit, or insurance as required by the City or consultant.

(B) Whether the Proposer made efforts to assist interested MBEs/WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

In assessing minimum good faith efforts, SMBR may consider whether the Proposer sought assistance from SMBR on any questions related to compliance with this section. In addition, SMBR may also consider the performance of other Proposers successfully meeting the goals.

The ability or desire of a Proposer to perform the work of a contract with its own organization does not relieve the Proposer of the responsibility to make Good Faith Efforts.

Proposers may reject MBE/WBEs as unqualified only following thorough investigation of their capabilities. The MBE/WBE's membership or lack of membership in specific groups, organizations, or associations, and political or social affiliations (for example union or non-union employee status), are not legitimate causes for the rejection or non-solicitation of bids/proposals in the Proposer's efforts to meet the project goals or subgoals.

At a minimum, the following should be submitted to support Good Faith Effort documentation (documentation is not limited to this list):

- Fax logs, emails, and/or copies of documents sent to firms within the SLBP area.
- Copies of written correspondence to certified firms (include names, addresses, and other identifying information).
- Phone logs with responses (*Phone contacts, alone, will not be sufficient.*).
- Lists and copies of letters sent by mail, hand delivered, or e-mailed.
- Breakdown of negotiations made with certified firms.
- Copies of advertisements with local newspapers, trade associations, Chambers of Commerce and/or any other public media.
- Other communications regarding contacts with trade associations and Chambers of Commerce.

The following additional Good Faith Efforts factors may also be considered

- Copies of emails or phone logs regarding assistance in bonding, lines of credit, or insurance (as required by City or Consultant).
- Copies of emails or phone logs regarding assistance in obtaining equipment, supplies, materials, or services.
- Copies of all proposals received in response to Proposer contacting other Firms.

POST-AWARD INSTRUCTIONS

Confirmation Letters

All Proposers are required to include copies of the confirmation letters received from subconsultants, confirming the Subconsultants' willingness to provide services should the contract is awarded.

Changes to the *Compliance Plan* including additions, deletions, contract changes, or substitutions of subconsultants are permitted only after contract execution and only with prior written approval of SMBR. Request for changes to the

Compliance Plan must be submitted on the *Request for Change of Compliance Plan Form* for all levels of subconsulting and must be approved by the SMBR Director prior to adding, deleting, changing or substituting any subconsultant.

Post-Award Monitoring

The City will monitor post-award compliance information regarding the use of certified MBE/WBE Firm(s) listed on the *Compliance Plan*. The Consultant will be required to submit post award reports detailing the utilization of all subconsultants. The reports and other information regarding post-award compliance will be discussed with the successful Proposer. The following information on Payment Verification, Change Order/Contract Amendments, and Progressive Sanctions provides an overview of some of the post-award monitoring process.

▪ Payment Verification

Proposers are advised that the contract resulting from this solicitation includes a subconsultant payments clause. This clause requires all subconsultants to be paid within ten (10) calendar days from the date that the Proposer has been paid by the City for invoices submitted by subconsultants.

The Consultant shall submit a *Subconsultant/Supplier Awards and Expenditures Report* to the project manager and/or contract administrator at the time specified by the managing department. The report shall be in the format required by the City and shall include all awards and payments to subconsultants for goods and services provided under the contract during the previous month. This report may be used by the City to verify utilization of and payment to MBEs and WBEs.

The Consultant and/or any subconsultant whose subcontracts are being counted toward the MBE/WBE requirements shall allow the City access to records relating to the contract, including but not limited to, subcontracts, payroll records, tax information, and accounting records, for the purpose of determining whether the MBEs/WBEs are performing the scheduled subcontract work.

In determining achievement of MBE/WBE goals, the participation of a MBE/WBE subconsultant shall not be counted until the amount being counted toward the goal has been paid.

▪ Change Order/Contract Amendments

The goals on this contract shall also apply to change orders that require work beyond the scope(s) of work originally required to accomplish the project. The Proposer is required to make Good Faith Efforts to obtain MBE/WBE participation for additional scopes of work.

Change orders that do not alter the type of work originally required to accomplish the project may be undertaken using the subconsultants already under contract to the Consultant. Project managers will have automatic SMBR approval to authorize any change order that **increases** the contract amount for an **existing** certified subconsultant and is **within** the existing scope being performed by that subconsultant.

▪ Progressive Sanctions

The successful Proposer's *Compliance Plan* will be incorporated into the resulting contract with the City and shall be considered part of the consultant's performance requirements. Progressive sanctions may be imposed for failure to comply with Chapter 2-9B of the City Code, including:

- Providing false or misleading information in Good Faith Efforts documentation, post award compliance, or other Program operations;

- Substituting Subconsultants without first receiving approval for such substitutions, which may include the addition of an unapproved Subconsultant and failure to use a Subconsultant listed in the approved *Compliance Plan*; and
- Failure to comply with the approved *Compliance Plan* without an approved Request for Change, an approved Change Order, or other approved change to the Contract.

Please refer to Section 2-9B-25 of the City Code and SMBR Rule 11.5 for additional information.

FORM 3A - PRIME FIRM'S EEO PROGRAM

Solicitation Number: CLMP207

Project Name: Engineering Services for Electric Service Delivery

City of Austin, Texas

NON-DISCRIMINATION AND NON-RETALIATION CERTIFICATION

To: City of Austin, Texas, ("OWNER")

I hereby certify that our firm conforms to the Code of the City of Austin, Section 5-4-2, and the City's Non-Retaliation Policy as reiterated below:

- A. **Chapter 5-4. Discrimination in Employment by City Contractors, Section 4-2:** As an Equal Employment Opportunity (EEO) employer, the Contractor will conduct its personnel activities in accordance with established federal, state and local EEO laws and regulations and agrees:
- (1) Not to engage in any discriminatory employment practice defined in this chapter.
 - (2) To take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without discrimination being practiced against them as defined in this chapter. Such affirmative action shall include, but not be limited to: all aspects of employment, including hiring, placement, upgrading, transfer, demotion, recruitment, recruitment advertising; selection for training and apprenticeship, rates of pay or other form of compensation, and layoff or termination.
 - (3) To post in conspicuous places, available to employees and applicants for employment, notices to be provided by OWNER setting forth the provisions of this chapter.
 - (4) To state in all solicitations or advertisements for employees placed by or on behalf of the Contractor, that all qualified applicants will receive consideration for employment without regard to race, creed, color, religion, national origin, sexual orientation, gender identity, disability, veteran status, sex or age.
 - (5) To obtain a written statement from any labor union or labor organization furnishing labor or service to Contractors in which said union or organization has agreed not to engage in any discriminatory or retaliation employment practices as defined in this chapter and to take affirmative action to implement policies and provisions of this chapter.
 - (6) To cooperate fully with OWNER's Human Rights Commission in connection with any investigation or conciliation effort of said Human Rights Commission to ensure that the purpose of the provisions against discriminatory employment practices are being carried out.
 - (7) To require compliance with provisions of this chapter by all subcontractors having fifteen or more employees who hold any subcontract providing for the expenditure of \$2,000 or more in connection with any contract with OWNER subject to the terms of this chapter.

B. Minimum Standard Non-Discrimination and Non-Retaliation in Employment Policy:

For the purposes of this Offer and any resulting Contract, Contractor adopts the provisions of the City's Minimum Standard Non-Discrimination and Non-Retaliation Policy set forth below.

- (1) *As an Equal Employment Opportunity (EEO) employer, the Contractor will conduct its personnel activities in accordance with established federal, state and local EEO laws and regulations.*
- (2) *The Contractor will not discriminate against any applicant or employee based on race, creed, color, national origin, sex, age, religion, veteran status, gender identity, disability, or sexual orientation. This policy covers all aspects of employment, including hiring, placement, upgrading, transfer, demotion, recruitment, recruitment advertising, selection for training and apprenticeship, rates of pay or other forms of compensation, and layoff or termination.*
- (3) *The Contractor agrees to prohibit retaliation, discharge or otherwise discrimination against any employee or applicant for employment who has inquired about, discussed or disclosed their compensation.*

Further, employees who experience discrimination, retaliation, sexual harassment, or another form of harassment should immediately report it to their supervisor. If this is not a suitable avenue for addressing their complaint, employees are advised to contact another member of management or their human resources representative. No employee shall be discriminated against, harassed, intimidated, nor suffer any reprisal as a result of reporting a violation of this policy. Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

Contractor agrees that to the extent of any inconsistency, omission, or conflict with its current non-discrimination and non-retaliation employment policy, the Contractor has expressly adopted the provisions of the City's Minimum Non-Discrimination Policy contained in Section 5-4-2 of the City Code and set forth above, as the Contractor's Non-Discrimination Policy or as an amendment to such Policy and such provisions are intended to not only supplement the Contractor's policy, but will also supersede the Contractor's policy to the extent of any conflict.

UPON CONTRACT AWARD, THE CONTRACTOR SHALL PROVIDE A COPY TO THE CITY OF THE CONTRACTOR'S NON-DISCRIMINATION AND NON-RETALIATION POLICIES ON COMPANY LETTERHEAD, WHICH CONFORMS IN FORM, SCOPE, AND CONTENT TO THE CITY'S MINIMUM NON-DISCRIMINATION AND NON-RETALIATION POLICIES, AS SET FORTH HEREIN, **OR** THIS NON-DISCRIMINATION AND NON-RETALIATION POLICY, WHICH HAS BEEN ADOPTED BY THE CONTRACTOR FOR ALL PURPOSES (THE FORM OF WHICH HAS BEEN APPROVED BY THE CITY'S EQUAL EMPLOYMENT/FAIR HOUSING OFFICE), WILL BE CONSIDERED THE CONTRACTOR'S NON-DISCRIMINATION AND NON-RETALIATION POLICY WITHOUT THE REQUIREMENT OF A SEPARATE SUBMITTAL

C. Sanctions:

Our firm understands that non-compliance with Chapter 5-4 and the City's Non-Retaliation Policy may result in sanctions, including termination of the contract and suspension or debarment from participation in future City contracts until deemed compliant with the requirements of Chapter 5-4 and the Non-Retaliation Policy.

D. Term:

The Contractor agrees that this Non-Discrimination and Non-Retaliation Certificate of the Contractor's separate conforming policy, which the Contractor has executed and filed with the Owner, will remain in force and effect for one year from the date of filling. The Contractor further agrees that, in consideration of the receipt of continued Contract payment, the Contractor's Non-Discrimination and Non-Retaliation Policy will automatically renew from year-to-year for the term of the underlying Contract.

FORM 3B - APPENDIX A OF TITLE VI ASSURANCES

Solicitation Number : CLMP207

Project Name : Engineering Services for Electric Service Delivery

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor" agrees as follows:

1. Compliance with Regulations: The contractor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
2. Nondiscrimination: The contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the contract for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
4. Information and Reports: The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its book, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.
5. Sanctions for Noncompliance: In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

- (a) withholding of payments to the contractor under the contract until the contractor complies, and or (b) cancellation, termination or suspension of the contract, in whole or in part.

-
6. Incorporation of Provisions: The contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The contractor shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States. AFFIDAVIT OF NON-COLLUSION, NON-CONFLICT OF INTEREST AND ANTI-LOBBYING

Solicitation Number: CLMP207

Project Name: Engineering Services for Electric Service Delivery

State of Texas

County of Travis

The undersigned “Affiant” is a duly authorized representative of the Responder for the purpose of making this Affidavit, and, after being first duly sworn, has deposed and stated and hereby deposes and states, to the best of his or her personal knowledge and belief as follows:

The term “**Respondent**”, as used herein, includes the individual or business entity submitting the response and for the purpose of this Affidavit includes the directors, officers, partners, managers, members, principals, owners, agents, representatives, employees, other parties in interest of the Respondent, and anyone or any entity acting for or on behalf of the Respondent, including a subconsultant in connection with this response.

The terms “**City**” and “**Owner**” are synonymous.

1. **Anti-Collusion Statement.** The Respondent has not and will not in any way directly or indirectly:
 - a. colluded, conspired, or agreed with any other person, firm, corporation, respondent or potential respondent to the amount of this response or the terms or conditions of this response.
 - b. paid or agreed to pay any other person, firm, corporation, respondent or potential respondent any money or anything of value in return for assistance in procuring or attempting to procure a contract or in return for establishing the prices in the attached response or the response of any other respondent.
2. **Preparation of Invitation for Response and Contract Documents .** The Respondent has not received any compensation or a promise of compensation for participating in the preparation or development of the underlying response or contract documents. In addition, the Respondent has not otherwise participated in the preparation or development of the underlying response or contract documents, except to the extent of any comments or questions and responses in the solicitation process, which are available to all respondents, so as to have an unfair advantage over other respondents, provided that the Respondent may have provided relevant product or process information to a consultant in the normal course of its business.
3. **Participation in Decision Making Process.** The Respondent has not participated in the evaluation of responses or proposals or other decision making process for this solicitation, and, if Respondent is awarded a contract hereunder, no individual, agent, representative, consultant or sub contractor or consultant associated with Respondent, who may have been

involved in the evaluation or other decision making process for this solicitation, will have any direct or indirect financial interest in the Contract, provided that the Respondent may have provided relevant product or process information to a contractor or another consultant in the normal course of its business.

4. **Present Knowledge.** Respondent is not presently aware of any potential or actual conflicts of interest regarding this solicitation, which either enabled Respondent to obtain an advantage over other Respondents or would prevent Respondent from advancing the best interests of OWNER in the course of the performance of the Contract.
5. **City Code.** As provided in Sections 2-7-61 through 2-7-65 of the City Code, no individual with a substantial interest in Respondent is a City official or employee or is related to any City official or employee within the first or second degree of consanguinity or affinity.
6. **Chapter 176 Conflict of Interest Disclosure.** In accordance with Chapter 176 of the Texas Local Government Code, the Respondent:
 - a. does not have an employment or other business relationship with any local government officer of OWNER or a family member of that officer that results in the officer or family member receiving taxable income;
 - b. has not given a local government officer of OWNER one or more gifts, other than gifts of food lodging transportation or entertainment accepted as a guest, that have an aggregate value of more than \$250 in the twelve month period preceding the date the officer becomes aware of the execution of the Contract or that OWNER is considering doing business with the Respondent.

As required by Chapter 176, Respondent must have filed a Conflicts of Interest Questionnaire with the Purchasing Department no later than the seventh business day after the commencement of contract discussions or negotiations with the City or the submission of a Response, response to a request for proposals, or other writing related to a potential contract with OWNER. The questionnaire must be updated not later than the seventh day after the date of an event that would make a statement in the questionnaire inaccurate or incomplete. There are statutory penalties for failure to comply with Chapter 176.

7. **Anti-Lobbying Ordinance.** As set forth in Attachment 2 of the solicitation documents, between the date that the Invitation for Response was issued and the date of full execution of the Contract, Respondent has not made and will not make a representation to a member of the City Council, a member of a City Board, or any other official, employee or agent of the City, other than the authorized contact person for the solicitation, except as permitted by the Ordinance

If the Respondent cannot affirmatively swear and subscribe to the forgoing statements, the Respondent shall provide a detailed written explanation in the space provided below or, as necessary, on separate pages to be annexed hereto.

FORM 5 AFFIDAVIT OF AVAILABILITY

Solicitation Number: CLMP207

Project Name Engineering Services for Electric Service Delivery

Entities submitting qualification statements, including prime firms and subconsultants, shall have adequate current staff (including professionals registered in applicable fields, other professionals, and technicians) to competently and efficiently perform the work. The prime firm and subconsultants must commit that staff proposed in this submittal will be available to perform the proposed work within the anticipated project schedule.

In addition, prime firms who list individuals in Consideration Item 4 - Experience of Key Personnel must commit that those individuals are indeed employed by the prime firm and are not contracted employees. Prime firms who use an affiliated firm to hire staff on behalf of the prime firm must inform the City of this fact in its executive summary and explain the affiliated relationship involved between the two firms.

I hereby certify that our staff and the staff of our subconsultants proposed in this submittal are available to perform the proposed work in a competent and efficient manner. In the event an individual proposed in this submittal is not available, I understand that after contract award we will be required to submit a change request with an individual equally or more qualified, which is subject to review and approval by the City. In the event the City does not approve the change request, I understand our firm will no longer be awarded the contract.

I hereby certify that the individuals listed in Consideration Item 4 - Experience of Key Personnel are employed by the prime firm and are not contracted employees.

AFFIDAVIT OF CONTRACT EXECUTION

Solicitation Number: CLMP207

Project Name: Engineering Services for Electric Service Delivery

Entities submitting qualification statements shall be prepared to be responsive to City staff following Council award in providing documents required for contract execution, including but not limited to insurance, corporate resolution, hourly rate information and non-discrimination policy. The prime firm must commit to meeting schedules and deadlines set by City staff in order to execute the contract in a timely manner. We anticipate contract execution on or before Mar 20, 2017

I hereby certify that following Council award, our firm will be responsive to City staff in submitting the required documents by the deadlines set forth by City staff. I understand that if we do not meet this requirement, contract negotiations will cease. I also understand if we do not submit this completed form with our Statement of Qualifications, we may be deemed non-responsive.
